

# The Blairmore Graphic

VOL. 2 NO. 19

BLAIRMORE, ALBERTA, FRIDAY, DECEMBER 5, 1947

\$2.00 PER ANNUM

## St. Anne's Bazaar Well Patronized and Successful Event

The annual St. Anne's Catholic church bazaar, held in the Columbus hall, Blairmore, Wednesday, Nov. 19, was very well attended, with Mrs. A. Larbaste, president of the St. Anne's Catholic Women's League welcoming the guests at the hall door as they arrived.

The booths inside the hall were decorated prettily in various colors.

One of the most successful booths was the fancy work booth in charge of Mrs. L. L. Morgan and assisted by Mesdames C. Nabb, F. Wright and Miss A. Picard.

Another booth that was well patronized was the home cooking booth, in charge of Mrs. E. Bassi, assisted by Miss Veronica Kubik. The apron booth also received many customers during the afternoon and Mrs. Pozzi and her assistant, Mrs. S. Silverhorne were highly pleased with the sale of aprons.

The homemade candy booth also received the attention of quite a number of customers. It was in charge of Miss M. Fumagalli and Miss M. Uher.

For the children, who were present, the most interesting booth was the toyland booth, where Santa Claus was seen hovering around listening to what the children wanted from him at Christmas. The booth was serviced by Mrs. B. Saunders and Mrs. R. K. Lillie.

The grab box booth proved a surprise not only to Mrs. M. Aschacker and Mrs. O. Diamond, ladies in charge, but to the purchasers when they opened them to see the lovely merchandise they received.

Everyone who attended the bazaar sat down to the tea table, and were waited upon by Mrs. C. Fabro in charge of arrangements and assisted by Mrs. R. C. Old, Mrs. J. Mission, Mrs. J. E. Gillis, Mrs. A. Vangostoven sr., and Mrs. A. Tesslin. Serving were Miss Laura Plard, Miss Mary Pozzi, Miss Monica Old, Miss Virginia Ennis, Miss Helen Berze, Miss Faye Blake, and Miss Yvonne Gagne. Miss Francis Mission looked after the tickets for the drawing of the tea table prize.

The hard working ladies in the kitchen whose efforts contributed to the success of the tea tables were Mrs. Mancini, Mrs. J. Lenchuck, Mrs. J. Kanik, Mrs. Amato, Miss Irene Mancini and Miss Yvonne Silverhorne.

Those on the Tombola tickets were Mrs. S. J. Lamey, Mrs. E. Blas jr., Mrs. J. V. McDougall, added as treasurer during the afternoon and evening. The evening was well attended and in charge of R. C. Old, assisted by Johnny Dobek, Conrad Otteson and Ernest Amato. At 11:30 the drawing took place for the tombola prize in charge of Rev. Father M. A. Harrington.

Tombola prize winners are as follows, with prize, winner, ticket number and donor shown in order:

\$10. G. Gangster, 1415, Columbus Club.

\$5. Mrs. M. Bobrosky (Midland Ave.), 340, Miss S. Kubik.

Set dishes, Margaret Belanger (Cranbrook, BC), Mrs. J. Riva and Mrs. L. Morgan.

Wool Blanket, Lawrence Otteson, 616, Kubik's Stores.

Coffee table, Miss Mary Berze, 1109, Blairmore Hardware.

\$5. Mrs. F. Mercier, 1566, C.N. Bottling Works.

Box apples, Martin Botek, 351, Telfer's Red & White.

Dry Cleaning, Martin Galou, 255, Union Cleaners.

\$5. Mary Bobrosky, 76, Miss A. Picard.

Pressure cooker, Joe Uher, 1163, CWL Blairmore.

Fruit bowl, Mrs. S. Supina (Lethbridge), 386, S. Trono.

Turkey, Mrs. W. Kelley (Bellevue), 1608, C. Sartoris.

\$10. Dick Morgan, 912, J. A. McBride.

The doll was won by Charlie Piffold, 1235; comforter, Mrs. W. B. Irwin, 265, and tea cake by Miss Irene Gibos.

The CWL wish to thank all helpers and patrons who helped make the bazaar a success.

## Milk Probe Held in Blairmore Today

Enquiry opened at 10 o'clock this morning at the local court house into the application for increased milk prices in the Crows' Nest Pass. Representations are to be submitted by milk producers, distributors and consumers.

Chairman G. M. Blackstock, R.C. and Commissioner Bruce Massie, both of Edmonton, of the provincial government's board of public utilities commission, are to preside over the hearings.

Both producers and dairies have asked for an upward adjustment in milk prices for themselves.

The commission has already held settings in Calgary, Edmonton, Medicine Hat and Lethbridge.

### HILLCREST ITEMS

Mrs. M. Perly is visiting in Calgary for several days this week.

Mrs. C. Cawdronshank was a bridge hostess on Wednesday evening. Prizes were won by Mrs. W. H. Moser, Mrs. Angus Grant and Mrs. A. Hollingshead.

Mr. and Mrs. Norman Dudley and Jack Dudley were recent Calgary visitors, visiting their mother who is a hospital patient there.

Friends are sorry to learn that Mrs. R. Stenhouse is bedridden for a week or two. She had the misfortune to slip on an icy step while boarding the bus, severely gashing her leg.

Mr. E. O. Duke MLA visited in Hillcrest last week enroute from Victoria to attend the Social Credit Convention in Calgary.

Mr. Joe Gedritis is back at home after being hospitalized in Coleman for several weeks.

### A WOMAN'S WORLD

In Saskatchewan a wife may sell the house she owns right over her husband's head, as it were, but if the husband feels like taking the same drastic action with his property he must first get his wife's consent.

By law one third of a husband's estate must go to his wife, irrespective of how he feels, but no such legal chains bind the wife. She can leave her fortune to whom she pleases and her husband without a penny. It's the law, and he has no comeback.

All over Canada the Criminal Code makes a man responsible for the support of his wife. If she becomes ill by reason of his non-support he may end up in the hoosegow. But if a callous wife leaves her husband to starve the law just looks the other way.

C. H. Higginbotham in Saturday Night.

## Pass Friends Honor Sgt. Tom Mudiman Before Leaving District

Sgt. Tom Mudiman

### SELF-DISCIPLINE

An appeal to parents to permit their children to take life's little knocks in order to develop self-discipline and adjust their behavior to social standards, is made by the department of national health and welfare, Ottawa. "Learning the hard way has advantages," the department states. A pampered child has little opportunity to learn to solve life's problems in the school-of-hard-knocks, through trial and error. Only through personal experience can we learn to conform to the standards of conduct which living demands.

## Blairmore Hockey Plans Uncertain

The decision of the executive of Blairmore Bears to withdraw their entry from the A.B.C. intermediate league was made at a meeting held last Sunday. However, there still remains a degree of uncertainty on the decision as a telephone call by The Star on Tuesday afternoon to Joe Kubik and Ernie Basso reveals that while Sunday's decision still stands the executive plans a second meeting this week and possibly some change may be forthcoming at this meeting.

Blairmore's withdrawal stems from last Thursday night when Beardts' absorbed a merciless drubbing at the hands of the Grands. Blairmore was hopelessly outclassed from start to finish, so much so that the executive were given a true picture of how weak their team really was.

Mr. Basso stated that it would be unsafe to ice such a team and that it would result in loss of considerable money.

Since it is not expected that Blairmore will bring in players that would appear that "Cats" will not be part in organized league play this year.

### A BRITISH VISITOR

Recently, Mr. Robt. E. Wilson, FRSA, Art Director of the British Color Council of London, England, was a visitor to Montreal and Toronto as well as a number of American cities.

The British Color Council is a co-operative non-profit organization made of a large and diverse group of interests in which color, either for utility or fashion, is an important factor in promotion. Of special interest is a recently formed group consisting of paper makers, photo engravers, printing ink makers, and printing groups.

The council has already become firmly established in the field of textile, dye and color makers, interior decorators and painters, plastic and ceramics.

In 1934, the council published a dictionary of standard and approved colors showing a range of 220 colors. Early in the New Year, a large volume will be produced in three surfaces of about 360 colors. This volume will be produced in three surfaces, a silk fabric, a glossy surface and a matt surface of each color, and a history of the color. This volume is of primary importance for the interior decorator but should prove to be useful publication for many other groups.

His visit was certainly a stimulant to many groups of color users here.

### KNOW YOUR LAW FRED

A man bought several hundred very expensive cigars and had them insured against fire. After he had smoked them all, he put in a claim that they were destroyed by fire. The insurance company refused to pay and the man sued. The judge decided that as the company agreed to insure the cigars againts fire it was financially responsible.

As soon as the man accepted the money, the insurance company had him arrested on a charge of arson.

### CASE FOR ETIQUETTE

Declaring that Etiquette is a part of mental health practice, and rounds out the picture of a healthy mind in a healthy body, the department of national health and welfare, Ottawa, says a good word for good manner. "Manners in addition to making the man makes the healthy and happy man," says a departmental bulletin. This statement is based on the assertion that the mannerly person, being socially more acceptable, is correspondingly happier, and hence, healthier.

## Blairmore School Pupil Receives the Gov. General Award

With receipt of news, conveyed in a letter from the provincial minister of education, Hon. R. E. Anley, to John Fraser MacPherson, son of Principal and Mrs. D. MacPherson, that he had been awarded the Governor-General's Bronze medal for highest marks in grade IX June examinations this year in the Pincher Creek school division, it is interesting to note that Fraser is the third pupil of the Blairmore school to win the honor in the ten years that such awards have been made for grade IX.

Awarding of the medal changed to grade IX in 1938, and besides Fraser who won it this year, Esther Florence Erickson won it in 1939 and Hazel Mary Millett in 1942.

Presumption of the medal is to be made to Fraser at a later date by the school inspector.

Prior to 1938 passing Grade 8 was entrance to High School, we understand the above award was made in that grade and as far as we can learn among recipients were Eleanor Farmer, Ethel Cartwright and Alex McDowell.

### COWLEY HAPPENINGS

Mr. and Mrs. T. R. Jones spent a few days the first of this week visiting in Calgary.

Peter Iwasaki is an inmate in St. Vincent's hospital, Pincher Creek, suffering injuries sustained to a foot. Mr. Iwasaki is principal of the Lundbreck school.

Following an early start on winter, we here, are enjoying the recent mid spell with the warm days it lends to us.

M.-A. Perceval has gone to Courtenay, B.C. for an extended visit with his daughter, Mrs. Melvin Black, and his son Marcel and their families.

Mrs. W. Parry is spending the winter months visiting relatives in Chicago and at points in Wisconsin and Nebraska.

Harold Cleland accompanied by his sons Roy and Dennis of Vauxhall was visiting at the home of his brothers, Lawrence and Albert Cleland, and their families here over the weekend.

The marriage of Frank McLaughlin Pettifor of Beaver Mines was solemnized in St. Joseph's church here on Monday, December 1, with Rev. Father Violini officiating.

Mrs. Harry Gunn paid a visit to her sister, Mrs. George Porter, and family in Pincher Creek the early part of the week.

Mr. Peter Iwasaki, teacher of the senior room of the Cowley school, was confined to bed through illness for a few days the fore part of the week, suffering an attack of flu.

A whist drive, sponsored by the Cowley baseball club was held in the Masonic hall on Wednesday evening at which honors were awarded to ladies' first, Mrs. Nick Papp; consolation, Mrs. Pete Maloff; Gent's first, Role Burn; consolation, Lance Coates. Commodities which were drawn for were won as follows: sack of sugar, Ted Jones; sack rolled oats, Alex Vishoff; box stationery, George Evansin, and case of beer, Bill Tournard. After lunch dancing was enjoyed. Nick Papp was master of ceremonies. Aside from expenses \$20 was netted.

What is the use of hurrying, if you are on the wrong road?

A pain-in-the-neck is something between a headache and a heartache.

Young Lady: "I've broken my glasses. Do I have to be examined all over again?"

Quixot: "No, just your eyes."

### PERSPIRATION

Those clean, self-respecting people who do not believe that they perspire, or, if they do, that it isn't noticeable, are reminded in a bulletin from headquarters in Ottawa of the department of national health and welfare that everyone perspires and that it is only natural and well for their health that they should do so. It is through perspiration that the body removes certain wastes. The department has only the time-honored reminder of the value of clean living, clean skin and clean clothing, to offer those who would not offend.

## Royal Bank of Canada Appointments

Appointment of J. R. R. Gough, CBE, ED, as supervisor of bank premises for The Royal Bank of Canada was announced December 1.

Mr. Gough rejoined the bank in 1946 after an absence of seven years on military service overseas, during which time he rose from the rank of Lieutenant to Brigadier. Proceeding overseas with the First Canadian division shortly after the outbreak of war, he later became attached to the headquarters staff of the Canadian Corps in Britain, serving as Assistant Quartermaster General of the First Canadian Army with the rank of Lieutenant-Colonel. In this capacity he participated in the panning of the Normandy invasion. Following D-day he proceeded to France with General H. D. Crear, where he served on the headquarters staff of the First Canadian Army as Colonel in charge of administration. In 1944 he was made Commander Army Troops Area, First Canadian Army with the rank of Brigadier. In this capacity he was responsible for all army and ancillary troops and for the administration of all divisions in the area under his command.

Following an early start on winter, we here, are enjoying the recent mid spell with the warm days it lends to us.

M.-A. Perceval has gone to Courtenay, B.C. for an extended visit with his daughter, Mrs. Melvin Black, and his son Marcel and their families.

Mrs. W. Parry is spending the winter months visiting relatives in Chicago and at points in Wisconsin and Nebraska.

While overseas Mr. Gough was appointed Commander of the Order of the British Empire and mentioned in dispatches for services in northwest Europe. Prior to the war he served with the Non-Permanent Active Militia, being attached to the Sherbrooke Regiment and later to the Victoria Rifles of Canada.

Mr. Gough was born in Farnham, Que., and joined the Royal Bank in Sherbrooke; later gaining experience at a number of branches in St. Hyacinthe and Montreal.

### ANGLICAN BISHOPS TO MEET

Leaders of the Church of England are to hold talks in London with bishops from independent sister churches throughout the world. 314 different dioceses in the Commonwealth, the Americas, Asia and the Middle East will be represented. The conference organized by the Missionary Council of the Church Assembly will be at Lambeth Palace, the historic home of the Bishop of London, and is first of its kind for 18 years.

### WORK AND THRIVE

To be healthy and happy, people must be fully occupied. The department of national health and welfare emphasizes this fact in urging everyone to take up hobbies to occupy their spare time; if their work does not absorb them entirely. "Man may still, in rare instances, earn his daily bread by the sweat of his brow, but actually only a small percentage of people use their full physical and mental capacities in their daily labor," says a departmental bulletin.

## Destruction By Fire

**WIDESPREAD DESTRUCTION IS CAUSED** in this country every year through fire. These losses are measured not only in dollars, but in human lives, and one of the most regrettable facts in connection with the whole problem is that many of these losses could be averted. Events have shown that although every effort has been made to educate the public in the matter of fire prevention, in many instances, tragic fires have proven to be the results of carelessness and disregard of fundamental rules of safety. Recent surveys have shown that fire losses in Canada are increasing each year. In 1946 they were 12 per cent. higher than in the preceding year, and the increase over a period of five years was estimated to be about 55 per cent.

### Serious Loss Of Property

In 1946 it was reported that 400 people lost their lives in Canada because of fires. In that year there were 55,400 fires in the Dominion and of these 4,000, which made up nearly 80 per cent. of the total, destroyed residential property. This would be a serious loss at any time, and is especially so now, in view of the shortage of homes. It was estimated that the number of residences destroyed or damaged by fire in 1946 would provide shelter for 200,000 persons. The damage done to commercial property, and the losses caused by forest fires were not reported but it is known that each year there are large fires in stores, warehouses and factories throughout the country, and there is seldom a year when some part of our forest wealth is not destroyed by fire.

### Frequent In Winter Time

Residential objects are placed too close to heating units. Too often victims of fires in residential buildings are helpless children, and each winter many pitiful accidents of this kind are reported from all parts of the country. When lack of regard for safety rules, with which everyone should be familiar, result in fires which destroy life and property, the tragedy is doubly regrettable, and it appears that many of the mounting number of fires which occur in this country each year are the result of carelessness and disregard of proper precautionary measures.

### U.S. To Test 42,000-lb. Bomb

WASHINGTON.—The United States Air Force will begin test drops of the world's heaviest bomb—a 42,000-pounder—at Murro air base in the California desert.

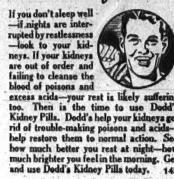

The mammoth bomb will be suspended from newly-devised shackles half in and half out of the lengthened bomb bay of a modified B-29 Superfortress and will clear the ground by half an inch when the airplane takes off.

The bomb dropped probably will be "duds," weighted to compensate for the lack of explosive charges. Experts then will conduct tests on the explosive potential.

### 20,000 PAIRS OF SHOES GOING TO U.K. CHILDREN

TORONTO.—More than 20,000 pairs of shoes, collected by school children across Canada, are now ready for shipment to British children, the Junior Red Cross announced.

## Estimate Prairie Wheat Crop At 318,000,000 Bus.

Manitoba's Yield 41,200,500,  
Saskatchewan's 55,400,000,  
Alberta's 102,560,000.

Prairie wheat production in year Canada is expected to be 318,415,000 bushels this year, according to an estimate issued by the North West Line Elevators association.

The estimate was based on a prairie wheat yield of 22.992 acres and yields per acre were compiled from returns received from 93 per cent. of country points in the three prairie provinces.

Manitoba's wheat yield is forecast at 41,200,500 bushels; Saskatchewan at 102,560,000 bushels; and Alberta at 12,560,000 bushels.

The overall prairie wheat yield per acre is estimated at 13.8 bushels.

Manitoba is expected to yield an average of 16.0 bushels to the acre; Saskatchewan 12.4 bushels and Alberta 16.0 bushels.

Oats production in the three prairie provinces was set at 181,635,400 bushels an average yield per acre of 23.0 bushels. Total barley yield was estimated at 12,300,000 bushels an overall yield of 18.7 bushels to the acre.

A rye crop of 12,311,200 bushels was predicted for the prairie west, showing an average yield per acre of 11.5 bushels.

Production of flax in the three prairie provinces was estimated at 10,193,000 bushels for a per acre yield of 7.2 bushels.

### Star Neckline

Makes you feel simply beautiful! This dress trims your figure with the most flattering gracious lines! The easy flower embroidery trim your neckline. Polyester.

This pattern can be used to sew, is tested for fit, includes complete illustrated instructions.

Pattern available in sizes 34, 36, 38, 40, 42, 44, 46, 48, 50. Size 36 takes 3% yards 33-inch.

Sent twenty cents (25¢ in coin) (stamps can be accepted) Name, Address, and Style Number and send orders to the Anne Adams Pattern Dept., Winnipeg Newspaper Co., 120 McDermot Ave., E., Winnipeg, Man.

Morning, Brown, How's everything?"

"As the young lovers lingered in the twilight, he asked anxiously:

"Darling, have your people agreed to our marriage?"

"Not yet," the girl replied, as she nestled closer to him; "father hasn't said anything and mother's waiting to contradict him."

"Because he needed sixpence, Mr. Henpeck daringly opened his wage pocket, and then went to the cashier.

The cashier counted the cash and notes, then replied impatiently:

"It's quite correct. I suppose you have four shillings and 40 shillings increase last April."

Mr. Henpeck shrank into his collar still farther and said faintly:

"My wife never told me."

As the young lovers lingered in the twilight, he asked anxiously:

"Darling, have your people agreed to our marriage?"

"Not yet," the girl replied, as she nestled closer to him; "father hasn't said anything and mother's waiting to contradict him."

"He must have reminded him of some beautiful woman in history. He said I had a historical face."

"Are you sure he didn't say historic, my dear?"

"Morning, Brown, How's everything?"

"The wife's well, thank you."

"Why is Jones pacing up and down in front of his house like that?"

"He's awfully worried about his wife, poor chap."

"Why, what's she got?"

"The car."

Customer: "Can I exchange this unbreakable doll?"

Shop Assistant: "Is there something wrong with it?"

Customer: "No, only the baby's broken every breakable thing in the house with it."

The following, taken from a petty cashbook, is surely the world's shortest novel:

Advert. for typist, 2s; typist's salary, £2; hovers, 5s; chocolates, 7s 6d; typist's salary, £2; sweets for wife, 6d; Wine, 6s; dinner, 6s; dinner and theatre for Wilson and self, £10 10s; coat for wife, £15; adv. for male typist, 2s.

Fortune Teller: "I see a vision—it is your deceased wife. She craves permission to send a message to you."

Clint: "Then that's not her, goner. My wife never asked for no permission when she guy her messages to me!"

Lawn should not be neglected in dry weather; weeds should be clipped regularly before they blossom and form mature seeds.

### GEMS OF THOUGHT

#### TOLEERATION

Toleeration is good for all or it is good for none.—Burke.

It is not a merit to tolerate, but rather a crime to be intolerant.—Shelley.

The responsibility of toleration lies with those who have the wider vision.—George Eliot.

I have learned silence from the talkative, toleration from the intolerant, and kindness from the unkind; yet strange, I am ungrateful to those teachers.—Kahlil Gibran.

We should endeavor to be long-suffering, faithful, and charitable with all, that our effort let us add to more patience, namely, silence whenever it can substitute grouch.—Mary Baker Eddy.

The more we know, the better we forgive; Whoever feels deeply, feels for all who live.—Mme. De Staél.

COULD BE HARMFUL  
Laymen cannot judge the correct type of lenses to use in eyeglasses, therefore they should not pick them up from a store counter after testing their own vision, warn health officers.

CANADA'S WEDDING STAMP  
Canada is to mark the wedding of Princess Elizabeth with this special postage stamp which will be issued Tuesday Jan. 1. The first day cover for philatelists will be handled only by the postmaster at Ottawa.

STAPTS to work in 2 seconds

### RÉCIPES

#### MINCE PIE — MODERN STYLE!

The pace of modern living allows less time for making overlong dinner. This can be had in a hot ribbon winner if you know the right shortcuts! Fluffy Mince Pie is an easy dessert to make, and it holds up a long time without tradition!

Fluffy Mince Pie

1 cup corn flakes  
1/4 cup sugar  
1/4 cup melted butter

1 tablespoon unflavored gelatin  
1/2 cup water

2 eggs, separated

3 tablespoons melted butter

1/4 cup lemon juice

1/2 cup sugar

Crush corn flakes into fine crumbs. Add sugar and butter; mix well. Press evenly and firmly around sides and bottom of pie pan saving two tablespoons of pie shell for topping, if desired. Chill.

Soften gelatin in 1/4 cup of water. Add to cooled pie shell with mixture, thicken slightly. Beat egg yolks; add butter, lemon juice and sugar. Add to mincemeat. Continue beating until smooth. Add gelatin and stir until dissolved. Cool.

Fold in stiffly beaten egg whites. Pour into crust; pie shell and chill until firm enough to eat. Yield: 1 9-inch pie.

Note: If home-made mincemeat is used, reduce water to 1/4 cup and use 2 cups mincemeat.

### Standard Of Living High In Canada

WELLAND—Canada has the highest standard of living in the world today, Labor Minister Humphrey Mitchell said at a gathering of civic representatives at a dinner reception.

"In condition" he said, "didn't fail to bring gentle rain frequently, but has been brought about by the courage and tenacity of the Canadian people."

Mr. Mitchell said that the dollar saving program as laid down by his government would carry Canada into the 1950s and with freedom as we understand it and with confidence in the future."

Mac is obtained from a fragile membrane growing between the two hard shells of the nutmeg kernel.

### New Artificial Leg Being Considered

OTTAWA.—A veterans department spokesman said the department is experimenting with a new suction-cup type of artificial leg for veterans but warned that it should not be regarded as a "cure-all" for amputees. "We have several cases under trial," said Maj. G. B. Bell, director of prosthetic services for the department, "but the new limb is still more or less in the experimental stage."

He was commenting on a Berkeley, Calif., dispute reporting that the leg, which attaches directly to the leg stump by suction and does away with much cumbersome equipment, will be furnished to some above-the-knee veteran amputees in the United States beginning in February.

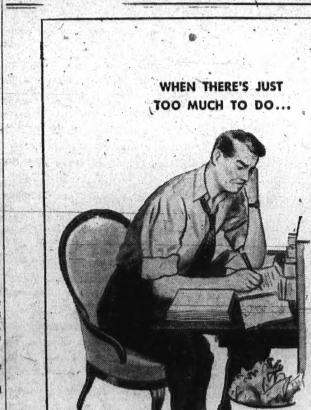

### 3 Way Action Brings Relief

Because Dr. Chase's Kidney-Liver Pill helps to restore the body's natural balance, kidney acids and regulate the bowels, they can scarcely fail to bring relief from the most common ills of life—indigestion and constipation.

Time has proven the dependability of this sovereign medicine to which so many people trust for regularity and good health.

35¢ a box.

### Dr. Chase's Kidney-Liver Pills

### ONLY LIPTON'S BRISK-TASTING TEA GIVES YOU THAT

• Yes, it's really exhilarating—that delightful FLAVOR-LIFT you get with Lipton's Tea! It's a grand combination of rich, full-bodied tea flavor—plus a lift that just makes you feel good all over. And only Lipton's Tea gives you this FLAVOR-LIFT...because it's the blend that makes Lipton's and Lipton's who make the blend. Try Lipton's the next time. Ask for it at your grocer's today!

**COORDINATION OF  
PRIVATE AVIATION  
THROUGHOUT WORLD**

All private flying and air touring throughout the world is to be coordinated from London. This has just been decided by a unanimous vote of the International Aeronautical Federation which has chosen the Royal Aero Club of Britain as the body responsible for the task. A private aviation division of IAF has also been formed and is to make its headquarters at Londonderry House, in Park Lane. To assist IAF in this expansion of its activities, the Royal Aero Club will bear the cost until long-term arrangements for financing the new section are completed. Aviation clubs of all nations affiliated to IAF will be entitled to make use of the services offered by this department in London without charge. They include reliable information on fuel supplies, routes and landing grounds, as well as supply of maps. Assistance will also be given those national aero clubs which desire to start air touring sections.

A woman went into a shop to buy a drinking bowl for her dog, and the saleswoman asked her if she would like one with the words "For the Dog" painted on it.

"No, thank you," she replied. "You see, the dog can't read, and my husband never drinks water!"

*I want to know*

**will your  
child  
have a  
chance  
for a career?**

Many a fatherless youngster is going to college today because a thoughtful father provided for his education with Mutual Life of Canada Insurance.

We invite you to see our representative, or phone him, and let him show you how you can ensure that your children will have the education they deserve, no matter what happens to you.

*low cost life insurance

Kubik Block Phones 46 & 147

**Atlantic Leviathan**

The Canard-White Star Line's "Queen Elizabeth," with her length of 1,011 feet and her estimated gross tonnage of 85,000, is the largest and longest vessel ever constructed. She was launched on September 27, 1938, at Clydebank by Her Majesty Queen Elizabeth, whose name she bears.

The most obvious change in outward appearance from other ocean giants was the revision of two funnels only, due to the reduction in the number of boilers. Space saved thereby allowed for a complete rearrangement of passenger accommodation.

Transferred to London the Queen Elizabeth would be practically the same length as Waterloo Bridge, and would overlap the familiar river facade of the Houses of Parliament by some forty yards. Placed on her keel in Trafalgar Square, her funnel tops would soar above the head of the effigy on the Nelson Monument and her mastsheads some fifty feet above it.

There is a crew of 1,200 accomodation for 2,300 passengers—the equivalent of three differently priced hotels—and all the amenities of a city in the way of shops and other places of interest. Steam is supplied by twelve high-pressure water-tube boilers. They are the largest boilers ever constructed for a ship and contain 71,000 tubes.

In addition to her main engine rooms, the Queen Elizabeth has a huge power station housing four turbines for supplying power to the auxiliary machinery and for the "hotel" services of the ship. These generators are capable of providing electrical energy sufficient to meet the lighting and public services of a township containing about 200,000 people.

Thousands of experiments with 200 inch models made of paraffin wax in a tank 400 feet long; 20 feet wide and

10 feet deep helped to decide the shape of the finished ship. Seaworthiness and ever installed afloat, ensures constant behavior in bad weather as recorded by creating artificial waves in the tank.

Gyro-pilot equipment gives automatic steering and since it eliminates the human element, increases speed. A course-recording instrument automatically registers all alterations of course and the time of their occurrence. The wireless telegraphy installed

is the most comprehensive system of the kind in the world.

Communication throughout the transoceanic voyage with both Europe and America.

Radio-telephone service is also remarkable. Through instruments fitted in each of about 500 cabins, passengers can talk direct to any part of the world. Secrecy in conversation is ensured by the process known as "scrambling."

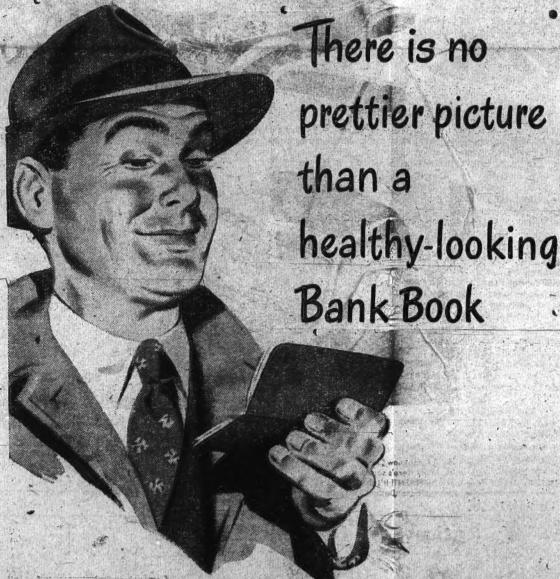

Pepsi-Cola hits the spot anytime! There's twice as much in the big 12-ounce bottle!

\*Pepsi-Cola is the registered trade mark in Canada of the Pepsi-Cola Company of Canada Limited

IT'S HARD to be a pessimist with money in the bank. Cash in the bank gives you confidence, a comfortable sense of security. It permits you to meet opportunity half way; it helps you to take financial hurdles in your stride. Regular savings are an investment in the future of yourself and your family . . . worth budgeting for, worth sacrificing for.

L. B. LONG, Manager

**MR. FARMER—YOU BE JUDGE AND JURY, TOO!**

During the world-wide depression of the thirties, grain prices for wheat, oats, barley, and rye, were crashing down. Millions of people all over the world were unemployed. So many United States banks failed that President Roosevelt closed all banks for a while to avoid nation-wide panic. Since that time, control of grain is in the hands of the Canadian Wheat Board. It is trying to attack The Winnipeg Grain Exchange and blame its Members for the then low world price of wheat.

Our Members had no more to do with that low price than you did. The demand for wheat was down, so much so that there was an excess of supply of wheat over demand, because many people couldn't even afford to buy bread. Every fair-minded farmer knows that, despite years of misleading and contrary propaganda put out by the leaders of the "ools."

Up to now, The Winnipeg Grain Exchange has ignored this misleading propaganda, but the time has come to refute it. So, in a series of advertisements (of which this is the first), the Exchange will tell you how its Members operate and answer some of the questions asked at farmers' meetings. These advertisements will appear in this paper and in leading farm papers for some months to come. Please read them.

You have heard the "ools'" side often enough. Now read our side and be Judge and Jury in the matter. Our Members do not fear your verdict.

Meantime, mail the coupon below for a free copy of the booklet "An Explanation of the Canadian Wheat Board Act 1933 and Amendments Thereto." It's important for you to know how you are now being regulated and controlled.

To The Winnipeg Grain Exchange,  
Winnipeg, Manitoba.

Please mail booklet to which you refer above.

FARM DIVISION

**Farm Women Asked Us:**

Designed to tell some of the facts about life insurance to farm families, a new booklet, "Farm Women Asked Us," has just been published by the Canadian Life Insurance Officers Association.

The booklet is in the interview style. Farm families were interviewed on their home ground, their questions answered and their stories told to the reporters. The booklet is illustrated with friendly and typical likenesses of people we might all know.

The foreword tells why the booklet was written for one particular group of people. "The great majority of farm women have an essential part in farm operation. Quite frequently it is the woman of the farm family who is the bookkeeper and she knows farm figures to the last item. She appreciates that the life insurance needs of farm families differ from those of the city worker and his family."

Copies of the booklet may be obtained from the Canadian Life Insurance Officers Association, 302 Bay Street, Toronto, Ont.

Lorgnette is a French name for a dirty look you can hold in your hand.

**EUROPEAN WORKERS FOR  
UNITED KINGDOM PITS**

30,000 European volunteer workers are to be recruited to Britain's coalmines during the next 12 months under a scheme which was recently approved by the National Union of Mineworkers' Executive. It is also proposed to bring over 10,000 homeless German orphans who are now in camps in Germany. Foreign volunteers are already coming to England to work in the mines at the rate of 100 a week and this number will be stepped up to 250 by mid-December. The foreign workers will be taught English at special camps and given training in coal mining before starting work in the pits.

# World News In Pictures

**SNOW OR NO SNOW, POLICE HAND OUT PARKING TICKETS**—Three-day blizzard, first snow of the year to hit Fort Frances, Ont., left 15 inches in its wake. Helping each other over a huge pile of snow on way to work are Doreen, (left), and Lois Breckon. Georgina MacDonald watches.

Parking space was at a minimum on Scott St., Fort Frances, as great piles of snow several feet in height took up most of the room. Police added to the woes of stalled motorists by placing tickets for overnight parking on the snowed-in vehicles.

**ORDER OF MERIT GIVEN MR. KING**—First Canadian to receive the honor, Prime Minister Mackenzie King has been awarded the Order of Merit, the highest honor the King can bestow which does not carry a title. The order is restricted to 24 members and is awarded for "exceptional meritorious service" in the service of the crown. The award, shown here, was followed by an invitation to lunch with the King and Queen.

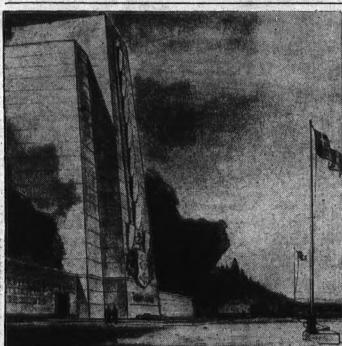

**ARMED THUGS TIE DENTIST, GIRLS, ESCAPE WITH \$600**—Armed and masked, two men tamed Dr. K. L. Levinson, Toronto dentist, and three girls. They then robbed the office of a grocery market, next to Dr. Levinson's office, escaping with \$600. Money was on desk when one of gunmen entered office at Master Food Market, over the store, and scooped it up. Frances Kywinter, Lillian Winchell, and Ester Martin were ordered to dentist's office, and tied.

**FAMOUS BULL WEIGHS OVER TON**—"Sam Jones", famous Brahman bull weighing over one ton, is admired by pretty horsewoman Patay North in Blythe, Calif., as he is groomed for first competition of Brahman breeding cattle in the west. Sam will compete with other hefty bulls at a livestock show in Los Angeles. The big bull is eight years old.

**EVEN SIX-YEAR-OLD WORKED FOR HIS PAST-SAGE**—Archibald Robertson with second mate, his wife the ship's writer, and their six-year-old son scrubbed decks. That was the means the Robertsons took to come to Canada from Scotland. They plan to live in Hamilton, Ont. Mrs. Robertson recollects the time when Rudolph Hess was captured near where she lived in Scotland. "He flew over her house and was taken into custody by her father." But Mrs. Robertson had slept through it all and had to be told about it as though she lived a thousand miles away.

**WAR MEMORIAL** for every Canadian who helped save Canada in years of peril is announced by Prime Minister King. Design of the memorial will be decided by contest of Canadian artists. This is sketch suggested by Jacques Greber, planning expert, but design will be by a Canadian.

**\$57,000,000 STOP-GAP ON STARVATION**—U.S. Senator George C. Marshall is conferring with Lewis Douglas (center), U.S. ambassador to Great Britain, and Robert Lovett, undersecretary of state, (right), just before Secretary Marshall appeared before the joint Senate and House meeting on foreign aid. Secretary Marshall requested \$597,000,000 as stop-gap aid to forestall starvation in Europe until such time as Congress can act on the Marshall plan, or the European Recovery Plan, as it is now called.

**WELSH TAR BATTLES DEPORTATION**—When Christopher Key (right), "jumped ship" from the S.S. Patriarchia, in Vancouver, he intended to stay in Canada for a short visit, but met Florence Revolte from St. Catharines, Ont., and changed his mind. He met her in a restaurant in Winnipeg and became engaged two weeks later. Now he wants to settle down in Winnipeg and save enough money to start a paint shop—if immigration authorities agree.

**PROTEST \$200 PAYMENT TO MISS CANADA**—Margaret Marshall, who won the Miss Canada beauty title this year, was the indirect target of criticism in St. Catharines, Ont., recently. The council of Works protest the payment to her of \$200 for a two-day appearance in the town. Here is Margaret with Mayor W. H. MacDonald, when she received the \$200. The council insisted that any "free money" should better be devoted to charity.

**WINNING EYES**—Swedish actress making her first film in the U.S., Lela Marr, has the most beautiful eyes in Hollywood, according to a group of veteran photographers which have seen them all.

**ONE KILLED, TWO INJURED IN SMASH-UP**—Lela Marr of Woodstock, Ont., was killed; J. L. Carmichael of the University of Missouri, and D. E. Jackson of Oshawa, Ont., were injured in this head-on collision on the Queen Elizabeth highway, near Hamilton, Ont. Jackson, according to travellers who stopped to render assistance, had both legs crushed and one eye badly injured, but sat calmly smoking a cigarette until medical assistance was summoned.

**FLOATING LOGGERS' CAMP**—Lifting of duty on some types of Canadian lumber exported to the U.S. has given new impetus to Canada's lumber industry. Communities from Nova Scotia to British Columbia will be affected, and a major expansion is expected. Here is a floating loggers' camp at Holberg Inlet, B.C. It is a community on rafts. Private homes and bunkhouse can be seen in the centre of the picture, community hall and dining hall are in the background at right.

**"PIMPERNEL" AUTHOR DIES**—Baroness Orczy, 80, author of the Scarlet Pimpernel novels, died in London, Eng., on Nov. 12. In half a century Baroness Orczy wrote more than 50 novels and plays, including many detective stories and tales of adventure and romance. During the war Baroness Orczy was kept under surveillance by the Germans at her villa in Monte Carlo.

## NOTICE TO VETERANS

### YOUR APPLICATION FOR VETERANS INSURANCE SHOULD BE IN NOW

If you were discharged prior to February 20, 1948, your application for Veterans Insurance must be accepted by February 20, 1948. If discharged after February 20, 1948, your application must be accepted within three years of the date of your discharge.

#### FEATURES OF VETERANS INSURANCE

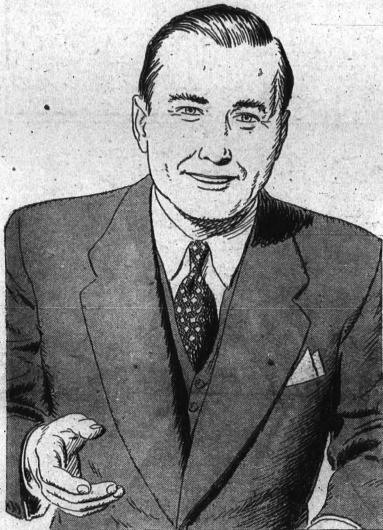

Available in most cases without medical examination. Premium rates are the lowest standard rates; available in amounts from \$500 to \$10,000, premium rates are based on age. Premium credit may be used to meet monthly premiums.

#### THOSE WHO ARE ELIGIBLE

American veterans eligible are all veterans of World War II and in certain cases, members of the Canadian Armed Forces (Army, Royal Canadian Navy, Royal Canadian Air Force), certain merchant seamen, Fire Fighters, Auxiliary Service personnel, and members of the Merchant Marine. These in receipt of war disability pensions.

## Local and General Items

The Editor will be glad to receive items for this section, regarding visitors entertained, parties leaving for holidays or short trips, bridge parties, teas, showers, presentations, anniversaries, etc. Please send to 11 or hand them in at The Graphic office not later than Thursday evenings.

Adam Bonne is nursing a broken thumb.

Mrs. A. Gibeau is now residing in Cranbrook, BC.

Mrs. C. Cizek, of Frank, is spending the week end in Fernie.

George Kafoury is back in town after having spent the last few months with relatives in California.

Miss Emma Kidd, of the local telephone exchange, is on the sick list and is being relieved by Miss A. Wolfe, of Pincher Creek.

Const. J. R. (Steve) Brodie is now stationed with the RCMP in Ottawa. "Steve" was a member of the Barrimore detachment several years ago.

Mr. and Mrs. Delgreen have been residing at Caribou Gold Mines, NS, have returned to the west. Mrs. Delgreen, the former Babe Gibeau, visited friends in Blairmore last week.

As of Nov. 30, the TB Christmas Seal Receipts for the province were \$33,000. This is a little higher than at same period last year, but smaller proportion of \$125,000. objective. Vital nature of chest X-ray survey and other preventative measures makes complete success imperative. We urge people to send contributions without delay.

CHRISTMAS IS COMING  
REMEMBER YOUR CONTRIBUTION  
— to —  
WOOD'S CHRISTIAN HOMES  
"BIG FAMILY"

EVERYBODY'S BUSINESS  
by  
*Don Graham*

Few men realize how much a good memory can help them succeed in their jobs.

So often I hear a man shamelessly admit: "I have a terrible memory." Always these individuals seem to convey the impression that this was just an unlucky accident of birth.

The truth is that although some people do have naturally retentive minds, anyone can improve his memory to a remarkable degree. To do so, of course, takes extra effort. But the rewards are many and important.

At any time you may be able to supply some important person with an exact fact or figure, and by such a simple act suddenly gain new prestige. In many other ways a good memory equips you for progress and builds self-confidence.

Modern psychology has much to teach on methods of memory-training that may help you. But even if you merely concentrate on remembering you'll become a more efficient and valuable worker.

Here is a fact to remember: The Life Insurance companies in Canada invest over 250 million dollars yearly in developing industries and aiding government projects, thus promoting the economic and social welfare of the nation.
